FOOTNOTES FOR TABLE 4

aCost of serials not included.

bFigures include Vietnamese and western-language materials budgets.

cMonographs: \$78,781; serials: \$8,194.

dMonographs only.

eIncludes western-language materials.

fFigures are misleading because \$13,252 of the above amount is for serials and also includes western-language material. The remaining \$1,500 is probably close to what is actually spent on Asian-language materials. The collection is very heavily dependent on gifts and exchanges. We probably average over 400 new titles per annum from gifts and exchanges alone.
